PRESIDENT'S REPORT 2024-2025

Dear Parkdale Cricket Club members,

After being on the executive committee for some 4 years as Vice President then Secretary, I am honoured to present my first Presidents report.

Parkdale Cricket Club in its 104th year, is in an excellent position financially, generating an operating profit before depreciation of $23,000 for the year. This together with our term deposit with Bendigo Bank, means we are in a stable financial position, with the opportunity to invest back into the club on projects to support the ongoing operation and growth of the club.

We're a club built on the principle of *club, team, individual*. That's more than just a slogan—it's the culture we live and breathe. This season, we leaned into that philosophy even further by making a conscious decision in the off-season, to focus on youth development. We gave our young cricketers real opportunities—whether that was a chance in the higher grades, making their debut in the First XI, or their first taste of senior cricket. And while the win-loss column might not have been our most successful, the growth, the vibe, and the momentum we've built tells a far more important story.

We fielded four senior men's teams this year and a senior women's team —and what we might have lacked in silverware, we made up for in spirit. Training sessions were buzzing all season long, thanks to the great work of our coaching team—David Nankervis, Grant Chatfield and David Wright, and Grant Baylis for the women's team—who brought back structure, discipline, and a real sense of purpose. To see such commitment in the fielding drills at the end of a hot Thursday night of training was great to see.

Our junior program for both boys and girls went from strength to strength, with PCC fielding 18 teams across SECA, ISEC and AGCC. To manage such a huge part of our club is a huge task, and special thanks to Craig Dance, ably supported by Matt Comport, Mick Neilsen and James Seeary. Special thanks to all the volunteers supporting the junior program with coaching, umpiring, scoring and supporting.

Off the field, it's fair to say the social side of the club is alive and well. Thursday night dinners were back—and they were genuinely awesome. From Banh Mi to Parky Charky and our Sri Lankan Curry night on the first night of the Sri Lanka vs Australia test. Hats off to everyone who helped out on Thursdays, in the kitchen, in the bar and then cleaning up afterwards. And Saturdays post-match… well, the BBQs, the match reports, "tool of the week", "clogs," and of course our Player of the Day awards—those moments that turn a cricket club into a community, and build an enduring culture

We had a major milestone this year too. Michael "Maxy" Walker notched up his 300th senior game—an incredible achievement.

I'd also like to acknowledge, firstly, the passing of Life Member and club legend Darren Jury. He fought the good fight for many years – it was a sad time for all those who knew him. We will miss those fluoro runners out the back of the nets, and the greeting "Big Fella" to many of us as he had a good look at the lads training. I was very proud of how the club represented itself in celebrating DJ's life and supporting the family at that time.

Also, more recently club life member and legend David Banfield passed away. We acknowledge and salute the amazing on field and off field contribution to our club David made over many years. We send our sincere condolences to the Banfield family.

I want to take a moment to acknowledge and thank the people who make this club tick. First, our senior on-field team – The Selection Committee—Mr Chairman Wayne Papworth, ably assisted by Dave Wright, and Grant Baylis for the women's team and the skippers: Ned Vasey, Jessica Mustica, James Seeary, Mikey Clayton-Stamm and Michael Walker. Selecting sides every week is one of the hardest jobs in cricket, and you all did it with care, fairness, and a club-first attitude. Then on match day the skipper's commitment to the cause and the club… fantastic effort and thank you.

Our senior coaching team— David Nankervis, Grant Chatfield, David Wright and Grant Baylis—you set the tone. You brought the club together, and it showed. And special thanks to Nank who came on as head coach over the winter and was enthusiastic, dedicated and committed from day one.

Our executive committee—Wayne McLaughlin, Shane Murray, Briony Hunter, James Seeary, Mick Neilsen, and Craig Dance—you've been outstanding. The countless hours, and many challenges faced and conquered. Also, thanks to the expanded general committee, in particular to Kathryn Hill and Matt Comport who contributed their knowledge and experience.

And to the volunteers—far too many to name, but none of you go unnoticed. From Friday and Saturday Blasters to BBQs, behind the bar, behind the scenes, coffees, cleanups, juniors match days throughout the week—*thank you*. Clubs like ours simply don't exist without you.

To our two curators – Grant Baylis and David Ford – sometimes a thankless task, but the senior teams playing turf cricket has these gentlemen to thank. It's a lot of work. And our wickets were fantastic this year.

We also had a significant change on the committee leading into this year. Rob Scerri, after many years of incredible service, stepped away. Rob, thank you for your massive contribution—we stand on the shoulders of those who've put in the hard yards in the past.

Parkdale Cricket Club isn't just about cricket. As Nank likes to say, for the older blokes, it's our "third place"—not home, not work, but a place to belong. To have a hit, have a laugh, share a story, or earn a new nickname. And for the younger players, it's a safe, supportive environment to learn the game, make new mates, and experience all the joys and heartbreaks cricket throws at you.

We take our community role seriously—investing in Blasters, growing juniors, developing our girls and women's program, and hosting community events like our brilliant movie night. It matters. And we're proud of that.

I'd like to thank our sponsors for their amazing contribution to the club. Without this, it would be very difficult to run the club. Special thanks to Bendigo Bank and GM Pest Solutions whose support has been outstanding.

Looking ahead, I'm really excited. The committee remains stable and committed, and we are looking to bring in a few more hands to help spread the load and make things sustainable long-term. Junior development remains a key focus, with plans for expanded coaching structures. And while it may not land this coming season, our net redevelopment plans are progressing well—thanks to the efforts of Matt Comport and our engagement with Cricket Victoria and Kingston Council.

As mentioned, financially, we're in a strong position. Positive cash flow this season, our investment account tucked away and good long-term prospects. That's a credit to all involved.

Finally, on a personal note—being President of this club is a real honour. I took on the role because I believed I could help rebuild the culture, get the club humming off the field again. And while there's always more to do, I'll tell you this: I look around the club now, and I'm proud of what we've achieved together.

Thank you to everyone for making this club what it is. Exciting times ahead.

Onwards and Upwards. Go Parky.

Chris Mutimer - President

TREASURERS REPORT 2024-2025

Firstly, I would like to thank and applaud the outgoing Treasurer Jayson Billings for his endeavours in the preceding seasons. His efforts and financial nous are well reflected in the robust financial position that Parkdale CC is now in. For 2024/25 the total income reduced from last year by $19,667 – with several factors primarily contributing to this:

- $3,830 decrease in Junior Registrations
- $4,179 fall in Events income – noting poor weather conditions on the date of Movie Night
- $5,306 decrease in Bar and Canteen income *
- $7,000 Grants income was a one-off and did not re-occur in 2024/25

* The fall in Bar and Canteen income is due to several reasons, not the least of which was the Exec's decision to reduce the price of multiple drinks items at the start of the season. The Exec also took the approach to fund Thursday night dinners on a break-even basis. The Friday night revenue from Blasters was estimated to be c. 50% lower than the prior year with a fall in patronage.

We slightly grew Sponsorship income, improved our collection rate of Senior subscriptions, and generated small profits from the newer income streams of Winter Cricket and Recycling Bins. We managed to reduce expenses across multiple lines, including the cessation of Frogbox, net reductions in player and coaching expenses, and fewer equipment purchases.

Our Net Earnings before depreciation/amortisation were $23,151, a reduction of $5,830 on last year.

For the current 2024/25 FYE, I determined to write-off multiple small Non-Current assets with a realisable sale value near $0 - to reveal a more accurate asset holdings of the club - noting that between the 2022/23 and the 2023/24 FYE accounts, the Club's Non-Current Assets only decreased by $1,000 (as depreciation/amortisation of $9,100 was offset by Non-Current Asset purchases of $8,760).

Therefore, the Net depreciation/amortisation (non-cash) expense in this period is shown as $18,518, resulting in a Net Profit after depreciation of $4,633 for the 2024/25 season.

Our present level of cash holdings is $90,845, of which $37,000 is held in a Term Deposit with the Bank with maturity in July 2025. The intention of the Exec is to re-invest this sum for a further term, with consideration to be given to add to this sum to re-invest. Our other current assets are $14,534, comprising current clothing lines and match balls. Our sole liability represents a City of Kingston debt which when it became known was negotiated to decrease and then was paid in full post-financial year end.

In the years ahead we will continue to depreciate/amortise the remaining Non-Current Assets with the aim to further strengthen our Balance Sheet.

Shane Murray

PCC Treasurer

Coaches Report 2024/25

I want to start by thanking the Club and committee for entrusting me with the Head Coach position this season. This is a role I don't take for granted and I appreciate the support I have had to try to uphold the expectations of this position. I'm privileged to be able to lead such a great bunch of people, not just good cricketers but genuinely good people. Being my first year back at the club for a few years, it took me some time to get to know people, but I was always welcomed and felt part of the Parkdale family.

I want to really thank the committee for their time and efforts, from early pre-season and throughout what is a long and gruelling season. With some people in new positions on the Committee, there was always going to be a transition and learning period, but they all just got on with doing a tremendous job. Without these people the club wouldn't function let alone be in the strong position it is, so to everyone off the field that contributes big or small, thank you.

There was a real focus in bringing back the little things that create and enjoyable and welcoming culture. These include such things as the Thursday meals, presentations, Saturday awards and match reports. These all take time and energy, so thank you to Mutes particularly, and to all those that got behind these important activities to strengthen the club culture and community atmosphere.

To Bayls (and the full Baylis clan) – the much-deserved winner of the Club award - your hard work and efforts are really appreciated around the club. I thought the wickets at Gerry were of a really good standard, especially with the volume of cricket played on a small wicket table. Also, important and valued is the work you do with the female players, who continue to grow and improve thanks to you and the other coaches. You and the family will be missed when the time comes for the relocation north but look forward to having you around the club until then.

Fordy, thanks for the great job over at the school for working on the wicket and getting that place as good as can be for the 3s and 4s.

One of the most important and pleasing parts of this club is the quality (and quantity) of the young group of players we have, and the comfort knowing there are even more terrific young kids coming through. So, to everyone involved with the juniors, notably Craig Dance, but many others, well done and thank you.

To the assistant coaches in Chatty and Dwighty, and support from Jimmy, I want to extend my thanks and appreciation. These are great Parkdale Cricket Club men, and fine coaches in their own right. The players appreciate having them around and offering their advice and guidance. These guys have a lot of experience (aka 'old'), are natural leaders and great cricket people, and we can all learn from them.

With Dwighty stepping down from the assistant coaching role, a special thanks to you and appreciation of the time in this position and ongoing commitment to the club.

To all the Captains, thank you for your time, effort and support over the season. The captain role is challenging, but you all kept a positive attitude and had the desire to improve and support your players and the club. A few first-time captains and a few older heads this year, I loved seeing you learn and grow, and really valued the efforts each week.

Overall, I thought we had a successful year with many highlights and positives to take away. There were many individual standout performances this year and those people were recognised at presentation night. There were also a lot of people who put in tremendous effort and improved, perhaps not getting the rewards on the scoreboard but it's important to notice the desire and hard work, and I know the rewards will come. As the players know, I'm a big believer in working hard and deserving the success that comes your way. If we take short cuts or don't practice to get better, then we know what outcomes we will get. If we keep working hard, improving as individuals and helping your team-mates, then I have no doubt that this group will experience more success.

To the two poms, 'Woolf and Rhino' (sounds like a good English pub actually), it was a pleasure getting to know you, seeing you both grow on and off the field and have some terrific performances. You showed great leadership and skill to our young group, and you have life-long friends here at Parkdale. We really hope you enjoyed the season with us and look forward to keeping in touch and seeing your cricket careers develop.

The season ahead looks very exciting, with a very talented squad and lots of potential in the group. I can't wait to get stuck in as we develop the future while showing that we are a club to be reckoned with across the grades.

Let's get stuck in for a great pre-season and come ready for a fun and successful 25/26 season.

Cheers

David Nankervis

Club Coach

Parkdale Boys Cricket

This season we again hosted a few indoor sessions during late August/September which helped ease the kids back into cricket and we will plan to repeat and even extend these for the upcoming seasons.

SECA Competitions and ISEC.

With the continued increase in numbers, Parkdale was able to field strong numbers in two rookie teams, three U12 (2B/C) teams, three U14 teams (1A & 2Bs) two U16 teams (A & B), and one U18 team in the SECA competition. We also fielded an U13A team, U15A and an U17B team in the Sunday ISEC Turf competition.

A total of 14 teams, 11 in the SECA competition and three in ISEC, the most ever.

Again, this season we continued with 2-day cricket which for some was their first experience of the format, this places an emphasis on batting technique and the building of pressure when bowling and fielding. It is no coincidence in my mind that it led to 7 of our finals eligible teams making at least the first week of finals and 2 Junior Premiers in total.

I would like to offer my sincere thanks to all the Team Managers and Coaches for these teams, some of whom were thrust into new roles at late notice and were unrelenting in their support for the club and the kids.

I would also like to thank our overseas players Henry and Ryan who helped with training.

Lachlan Dance and Jack Lawson were again fully involved with one of our youngest groups and coached the U12C to a great first season of hard ball cricket.

Our juniors again stepped up with several of them helping teams at an age grade above their normal level.

Season 24/25

The season itself saw the two rookie teams battle well and develop significantly with most kids first year in competitive cricket enjoying the experience. This season we located the Saturday rookies team at Gerry Green , utilising Gerry Green and a flix pitch alongside our weekly blasters We also saw a repeat of the end of season “derby” held on a Weds evening at Gerry Green which the kids and parents appear to have loved- Special thanks go to Luke Simmons, Imran Ali and James Marsh who volunteered to coach the two Rookie teams this season.

The U12C team was exclusively kids playing “hard ball” cricket for the first time (and several rookies helping out each week) with a few enjoying their second season. The kids progressed throughout the year, and the Saturday C team managed to win a number of games, just missing out on finals with a defeat in the last round Well done all and especially coaches Jack Lawson and Lachie Dance.

The Sunday U12B team just missed out on finals. They all improved their awareness of cricket especially with running between wickets and fielding in general. A number of the team are young enough to play again this coming season as they continue their cricket journey. Thanks to Simon Perkins for coaching again.

Parkdale also had a team in 12B Saturday grade which was predominantly made up of the core of the previous season U12C and some lower age players. They had a great season making finals in 4th and then winning back-to-back finals with a dominant Grand Final win against Ormond, Congratulations to the team and special thanks to Matt Comport who coached them to the flag.

In our U14 & U16 age groups we fielded at teams at the highest levels possible as we looked to continue our success and challenge at the same time

The U14B teams were full of enthusiastic kids willing to put themselves forward to learn more about cricket and their own strengths and areas for development. I would like to thank the coaches Aaron Cousins, Jimmy Seeary and Will Brown for their efforts with the kids The teams both missed out on finals however they had some great wins and their improvement throughout the season was evident.

The U14A team battled through the Grand Final with some great wins throughout the season and in a very competitive competition pushed the flag favourites Ormond all the way in the final. A great season all round and thanks to coach Paul McKenna and his assistant Richard Cooke.

The challenge of playing in the top grade was made more difficult with 3 players from the original squad leaving to play other sports as age groups start to clash and a couple of injuries limited other players. This put a strain on all the U14 playing numbers and we thank all the kids and parents in these groups for their flexibility and understanding as we shuffled the kids around to ensure we had equal squad numbers.

In the U16s we had an A and B side and in hindsight the B grade was a bit strong for the mixture of juniors we had in that grade; however, they battled on all season and with the support of coaches James Billings and Rob Scerri played their best cricket towards the end of the season

The U16As was a season of missed opportunities as despite beating both eventual Grand Finalists they failed to consistently perform and at that level were found wanting in a couple of games missing out on finals on percentage. Thanks to coach Lachie Cox for guiding them through the season.

The U13A team performed superbly in the ISEC competition with a relatively inexperienced group. After finishing 4th in the season, they won both finals with some superb cricket winning the flag in a close game and proving gradual improvement can lead to success. Congratulations to all and thanks especially to coach Aaron Cousins

The U15A was made up mainly of first year players and in a very strong competition performed well, they made finals and came up against Casey South Melbourne, unfortunately that proved a bridge to far However a great season playing on turf with the hope of going further this season. Thanks to coach Paul Corfield supported by Craig Dance

Our U17 ISEC Sunday team entered their third season in the ISEC cricket section. Again, they proved a strong team and finished 2ND on the ladder and had some superb wins. They lost their Grand Final which was shortened to a one-day game Thanks to all the parents who helped out with this team throughout the season and also, Grant Bayliss for ensuring both the U15 and U17 teams had turf wickets ready when needed.

The U18s also had a great season finishing second on percentage and unfortunately losing the GF to Le Page on a balmy Wednesday evening. They were very well marshalled by captain Darcy Murray and VC James Billings. Thanks to Henry Woolf for helping this team through the season.

Juniors Playing Seniors

As with last season many juniors represented the seniors, several for the first time. This season they developed from them being part of match day squads to being key and leading players in each of their respective teams.

Special thanks to David Nankervis and Grant Chatfield, as senior coaches, and all the captains for the way they encouraged the kids to get involved and provided a “safe” environment for the transition.

Junior cricketers continue to be the life blood of the club, and we look forward to an exciting time ahead.

I would like to thank all the volunteer scorers, parents, and kids for such an enjoyable season and trusting Parkdale CC with your kids cricket journey.

I reserve however, most recognition for Matt Comport who helped with the co-ordinator role, Jimmy and Mick Neilsen, without their help and ongoing support we would have not had the successful season all round.

Lastly to the executive committee, thanks for your support for our juniors, it is great that we all share the vision of how the club can progress in the future.

Craig Dance

Junior Co-ordinator – SECA & ISEC teams

Go Parkdale

Parkdale Girls Cricket

The 2024-25 season saw lots of development for the Parkdale Girls teams as we continued to grow our numbers in the 12s, showed some serious skill despite often playing short in our 14s and a fantastic Premiership in our juggernaut Tsunamis U16 girls team.

Several of our girls have again made it to 'Rep' and Premier and even State level cricket which is testament to the development pathway we provide at Parkdale CC.

This season we were able to field 3 very competitive teams in Under 12s, U14As and U16Bs. We also had a few girls play AGCC U18s in a combined team with Parkdale United and at Frankston.

A few of our girls were also able to join in the highly successful Parkdale Women's team and several of our Tsunami's plan to continue again next season.

Season 2024-25

There was a total of 30 girls registered this season compared to 38 girls last season.

AGCC Under 12s - Thunder

Wonderfully led again by coaches Ella Oliver and Natalie Baylis, with the assistance of Grant and Emma Baylis and Team manager Quinn Crowley, these girls had a fantastic development season.

With the league combining U14C and U12 grades, we were able to boost our team numbers so that fielding a team was never an issue. Thanks especially to Quinn for handling the ins and outs as girls also juggled dance and netball commitments. With some new players learning new skills and the rules of the game as they developed, the girls became very competitive and ended in 6th position from 8 teams with 5 wins for the season. Thanks to the parent helpers for scoring each week.

AGCC Under 14As - Avalanches

Firstly, a huge thanks to Justin Chamberlain and Jess Mustica who steered the governance and coaching of the U14 As team this season.

With only 8 regular players in a 9 player comp each week, the girls had to battle against the odds regularly to get the win. It was a fabulous effort for the girls to finish the season in 4th place with 6 wins in a very strong competition. Unfortunately, they were outgunned by a rep studded Le Page team.

Congratulations to Minnie and Lithika who were able to represent Victoria in the State schools team, as well as Evie for representing AGCC in U14 Rep carnival.

AGCC Under 16Bs - Tsunamis

Wow! What a season it was for the U16B girls that have built over the last few seasons into a super tight knit team. Under the dedicated guidance of Mick Neilson this combination of experienced, developing and beginner cricketers went through the season undefeated and won a clinical Grand final after surviving a very close call in the Semi.

Special mention to Nikita who won both the league bowling and fielding awards. She also had a breakout season regarding rep cricket being selected by Frankston in the Tier 2 Premier Comp and then Prahran in the Tier 1 Premier competition.

Representative Cricket

It was fantastic to have so many girls playing representative cricket and progressing onto Premier cricket again this season. The individual growth in their games and personal achievements were great with Nikita, Naimh and Lithika playing Marg Jennings U15 Premier cricket for different clubs. For AGCC in U12s we had Maggie who unfortunately couldn't play due to injury and Evie, U14s Minnie, and then Amia again with AGCC U17s.

Once again congratulations to Minnie and Lithika for representing the Victorian Primary School Team in the National Championships in Adelaide last year.

Thank You's

Special thanks to Craig Dance, who puts in so much effort, time and passion into the club and all of its junior players. His dedication, mentoring, guidance, support and encouragement to all of the junior teams is invaluable. Thanks also to Grant Baylis who does whatever he can to support the development of girls and women's cricket at Parkdale as the coach of the women's team.

To all the Team Coaches, Managers and scorers - thank you for all your support, organisation, commitment and support for your girls. Without your effort the teams couldn't run as efficiently as they do.

As we head toward the 2025/26 season, we eagerly seek the support of parents willing to support the club with administrative tasks. As we continue to evolve, we plan to appoint head coaches to both our junior boys' and girls' programs and develop a support structure that continues to provide best practice cricket development programs for our players.

I will be stepping down as the Junior President after several years in the role and would like to thank everyone that has supported me particularly with the management of the girls program, and again Craig for his tireless work with the boys program. I look forward to watching the continued growth in our Parky players from a step back, but only a phone call away.

James 'Jimmy' Seeary

Junior President and Junior Coordinator (AGCC teams)

Go Parky
